

Initiatives of Change  
India

25-28

AUGUST  
2022

Perhaps, I  
have a part to  
play!

THE FUTURE

WE WANT

BEGINS WITH ME!

EXPLORE

personal change.

ENGAGE

with others.

CREATE

answers the world needs.

GIVE

hope to humanity.

**IofC India** is a movement working towards addressing needs of the world, creating answers and influencing social transformation starting with personal change.

**The Future We Want** is an invitation to everyone 21 years and over and interested in being part of a diverse fellowship of changemakers. Through reflective deep inner listening, sharing and creative expression, this 4-day programme will be a journey of self-connection, personal change and collective and individual action in our personal lives, families, work and society at large.
