IofC India – National Gathering (28 Sept. – 2 Oct. 2023)

24 July 2023

Dear Friends

Greetings from Asia Plateau. Hope this message finds you and your loved ones well.

The real strength of IofC India lies in its diverse fellowship: all of us who have been impacted by these ideas and are committed to being a part of a movement of **'Remaking the World'** as the timeless MRA slogan goes. The world has gone through a lot in the last few years and that moved us from meeting in person to connecting online. Being able to connect online has been a big gift in sustaining our relationships during covid, but it is not the same as being together in person.

The Trust is inviting everyone who is part of the fellowship for a **'National Gathering' from 28 September to 2 October at Asia Plateau, Panchgani**. This gathering is not for newcomers but for everyone who has been involved with the ideas and movement of IofC already and feels committed and responsible for the work.

In this time together we hope to:

- Have time for fellowship and strengthening our own friendships.
- Hear updates on our key activities today and some of the impact of our initiatives.
- Look at the state of the world we live in and a search for our response to it.
- Mark the 154th birth anniversary of Mahatma Gandhi as well as the 60th anniversary of the 'March on Wheels' which started on the 2nd of October.

We hope all of us can come together for this important gathering to rejuvenate and renew our own community as well as our resolve to be changemakers in the world through IofC ideas and initiatives.

Please plan your arrival at Asia Plateau by lunch time on the 28th of September and your departure after lunch on the 2nd of October. We request participants of the gathering to take care of their travel arrangements and make a subsidised contribution of ₹ 1,000 per day towards your stay. The Trust will cover the rest of the cost. If you have any challenge covering this or for any other clarification, please write to the Executive Committee on ec.in@iofc.org.

We urge all of you to make travel bookings soon and fill out this brief registration form so that the team can prepare accordingly. Registration link: www.in.iofc.org/ng2023

Look forward to seeing you at Asia Plateau.

Regards

Executive Committee, on behalf of the Trust
